

Dear Member,

On April 19th and 20th, 2024, St. John Paul II Society #1593 is looking forward to hosting the 85th Annual National Bowling Tournament in Nashville Tennessee. The society will be producing a memorial ad book for the tournament as a way to fundraise for this event. See attached ad packet for information regarding the booklet and hope that you or your society can participate.

If you haven't already, the PRCUA website has information posted regarding bowling alley, hotels, and links to different activities that the Nashville scene provides at <https://www.prcua.org/2024-bowling-tournament/>.

We hope that you can attend this year's unique tournament experience in some way. Or if not able to participate, support our memorial ad book fundraiser. If there are any questions or ideas to share about the Nashville scene, please don't hesitate to reach out to the Society at prcu1593@gmail.com.
