Golf Scramble Rules: (All golf rules shall conform to USGA Rules)

Rules:

1. A scramble means that all team members tee off on the hole and then Decide which tee shot they like the best and mark the spot with a tee or ball marker.
2. The other team members pick up their balls and place them within one club length (No closer to the hole) of the marked spot. Each team member hits their next shot from the Chosen spot of the prior shot.
3. If the ball you choose to play is in a hazard (sand, water, etc.), the rough or out of bounds, you cannot drop the ball outside of the hazard or rough, even if relief is within one club length away.
4. This procedure is followed on every shot for the remainder of the hole, including putts. The ball should be marked on the putting green also.
5. Putts need to be made within 3 inches of the marked spot (no closer to the hole). The first ball to go in the hole is counted for the team score. When putting, once any ball is holed out, no further strokes count. The team is cautioned not to make “tap” in putts until all team members have had the opportunity to attempt the team’s Original Putt.
6. Each Players tee shot must be used at least Four times during the 18-hole competition.
7. For speed of play, maximum score on any hole is Double Bogey. Players should mark the score, pick up and move to the next hole when the maximum score is reached.

Golf Etiquette:

1. Please smooth all marks made in Sand Bunkers
2. Leave the putting green as soon as you have holed out.
3. Do not play until the players in front of you are out of range.
4. Balls may be cleaned on the green, and ball marks repaired prior to putting. You may not repair spike marks before putting.
5. Please observe all local course rules.
6. Enjoy the day and your fellowship with other golfers.
